

Eccentric and Animal Fun Shoot

How – To - Enter

Introduction

The Fun Shoot will be run using Rifle & Pistol Leagues: www.rifleleagues.co.uk

Many clubs will be familiar with the system which runs the NSRA Online Results Portal and several County Association Leagues.

This document is to assist everyone in joining our competition using Rifle Leagues in **5 Easy Steps**. Clubs who already use Rifle Leagues may start from Step 3.

At this time, all entries must be under the banner of a club rather than an individual shooter. However, if your club does not want to join Rifle Leagues, please contact us at funshoot@altonrifleclub.com

Results are publicly visible and as such, competitors names are also publicly visible.

This document can be found at www.altonrifleclub.com/funshoot
