

Eccentric and Animal Fun Shoot

How – To – Enter - Scores

Introduction

The Fun Shoot will be locally scored with scores entered on: www.rifleleagues.co.uk

This document is to assist everyone in how to enter the scores on Rifle Leagues.

Scoring requires the use of a standard .22 inch plug gauge for all cards shot using .22" rim fire and .22" Air pellets.

If shot with 0.177" air pellets then an official NSRA .22A scoring gauge must be used

To score .177 Shot holes to .22 Size when using
air rifles on .22 Targets

If your club is unable to locally score please contact us at funshoot@altonrifleclub.com and we will arrange the return of cards to be scored by Alton Rifle Club.

This document does not cover how to score our Fun Shoot Targets. Please see our "Scoring Guidance" document which can be found at: www.altonrifleclub.com/funshoot

Enter Scores on RifleLeagues.com

The Rifle Leagues account used to enter our competition can be used to enter the scores for you competitors, having locally scored the targets as per our Scoring Guidance on www.altonrifleclub.co/funshoot

The Club Panel on your Dashboard has an "Enter Scores" button.

Please select the competition for which you are to enter scores for:

In the next screen you can view your shooters and the competitions entered. We have Rounds 1-4, each one of our cards being a single round and this is done for the visibility of the final results. Each card should have a score entered ex 100, including any X scored as per our guidelines.

The "Enter Scores By" date is listed and after midnight on this date, no more scores may be entered.

To enter scores, please select the "Enter Scores" edit mode.
